

BOULEVARD
LEGACY LLC

Letter of Recommendation

May 25th 2025

Benjamin Ian Chen

Co-founder of Boulevard Legacy LLC

To Whom It May Concern:

I'd like to recommend Sidd following their internship with us at Boulevard Legacy LLC from March to May 2025. During that time, Sidd worked on three consumer apps using the Expo framework and really impressed us with both his technical skills and organized work.

Sidd was professional, easy to work with, and consistently reliable. He picked things up quickly, communicated clearly, and always delivered solid work. The apps they built were well-structured and thoughtfully designed, and they took ownership of their tasks from start to finish.

Overall, Sidd was a great addition to the team, and I'm confident He will do well wherever he goes next.

Best regards,
